Welcome

Welcome to the WASZP NSW Slalom Championship, 2023! Royal Prince Alfred Yacht Club is pleased to welcome local and state-wide WASZP Sailors to Pittwater.

About Royal Prince Alfred Yacht Club

Royal Prince Alfred Yacht Club is situated on Green Point on the pristine body of water called Pittwater, on Sydney's Northern Beaches.

"The Alfred's", as it's known by members and locals, has a long and colourful history and is one of Australia's oldest and most prestigious yacht clubs.

Royal Prince Alfred Yacht Club takes pride in its past achievements and dedication to its future success. The Alfred's has an ongoing commitment to providing the best facilities and conditions for its members and their guests and, a warm and friendly welcome to local and international sailors.

Surrounded by National Parks, Pittwater is a stunning body of water that presents ideal sailing conditions for match racing, with flat water and very little tide effect. Pittwater is renowned for being a location that can offer a steady north-easterly breeze throughout summer, but also light and shifty winds making racing a challenge for teams.

We look forward to welcoming you to our Club.

About The Regatta

The WASZP has been created as a strict one-design foiler, where the true test when raced is between crews and not boats and equipment.

The fundamental objective of these class rules is to ensure that this concept is maintained. Keeping possible modifications to a minimum ensures fair racing across the fleet, helps to reduce the overall cost to the sailor and reduces the amount of time in the workshop. When a sailor buys a WASZP, the boat is instantly competitive without needing additional time or cost. These rules aim to uphold that value so that sailors can focus on the best bit of owning a WASZP – sailing it!

The popularity of the WASZP has proven that the boat and the concept work. As a result, WASZP sailors are now part of the world's most active and friendly sailing community. For further detail please refer directly to the Notice of Race.
