

MEASUREMENT PROCEDURE

Please be prepared and cooperative for measurement . There are a lot of boats to get through and we are doing our best to complete measurement with minimal impact on your schedules. Do not leave it until the last minute!

Measurement team:

Andrew McDougall (Chief Measurer)

Martin Evans

Liam Edleston

WHAT TO DO:

- 1. Go to reception and collect your measurement slip and bow sticker**
- 2. Apply your bow stickers in accordance with the SIs**
- 3. Have your boat prepared with cover (including foil covers) off and all equipment you plan to race with on the boat, de-rigged**
- 4. Find one of the measurement team to get a position in the queue**
- 5. After you have passed measurement, return to reception to complete registration**

The measurement team will be located in the North or South zones according to the timetable below.

Measurement schedule:

9th & 10th July:
North Zone: 0900-1300
South Zone: 1400-1900

11th July:
North Zone: 0900-1200
South Zone: 1300-1700
