

WASZP 2023 North American Championship NOR Amendment #1

The NOR was amended on 7/20/2023 to reflect the latest version of the WASZP Class rules. Specifically, class rule C 5.2 now mandates the use of helmets for all competitors under 18 on the day(s) of racing. Helmet use is still strongly encouraged for all competitors while afloat. This changed NOR 15 and is now reflected in the most recent version of the NOR document posted on RaceHub.
