Cafeteria

The Cafeteria is open 08:00 – 18:00 every day of the regatta.

Water Refill Points

WPNSA encourages visitors to bring their own reusable drinking containers. There are four water bottle refill points: one in the Cafeteria, one outside the toilet corridor and two at the bottom of the Event Hall ramp. You will see these signs next to the refill points:

Dinghy Park – No Glass or Crockery

For everyone's safety, we kindly ask that no glass or crockery is used in the dinghy park or under the balcony. Many sailors are bare footed or just in dinghy boots walking around, so we want to prevent any cuts from broken glass or crockery.

Scooters, Skateboards, Segways etc.

We kindly ask that these are not used on site and especially not inside the building. They cause quite a few accidents, not least by the people riding them!

Use of Drones

The use of Drones is restricted in this area. For more information or if you want to fly a drone, please contact reception **01305 866000**.
