

Technical and Safety Rules for Foiling Boat (excluding Kiteboard)

Mandatory provisions for foiling boat:

- The wearing of Personal Flotation Devices (PFD) is mandatory in competition, from departure on the water until return to shore.
- Wearing a helmet is mandatory in competition, from departure on the water until return to shore.

The effective date of the recommendations is immediate.

Recommended provisions for foiling boat:

- Wearing a Personal Flotation Device (PFD) is recommended at all times.
- Wearing a helmet is recommended at all times.
- EN 1385 standard is recommended for helmets.
- Wearing protective clothing or equipment against impacts (reinforced thermal suit, reinforced Personal Flotation Device, etc.) is recommended.
- On sailing race courses, the sailing areas of sailboats, devices, or foil boards are to be preserved as much as possible from foreseeable collision routes with other sailboats, devices, or foil boards, and boats, except for organization, arbitration, coaching, or monitoring and intervention boats, whose pilots are informed of the conduct to be followed in the performance of their duties and equipped accordingly.

The effective date of the recommendations is immediate.

The board of directors (CA) mandates the executive committee (BE) to adapt these rules if necessary and thus have the necessary reactivity. In case of substantial modifications, the decision of the BE will apply as soon as necessary and will be subject to subsequent validation by the CA. In all cases, the BE reports to the next CA meeting on any provisions taken in the meantime.
