11 OBSTRUCTIONS

12 THE START

- 12.1 **The starting sequence for all races will be 3,2,1,0. This changes RRS 26.**
- 12.2 The starting line is between the staff displaying the orange flag on the signal vessel at the starboard end and the course side of the pin end starting mark.

13 CHANGE OF THE NEXT LEG OF THE COURSE

- 13.1 To change the next leg of the course, the race committee will move the original mark or the finishing line to a new position.
- 13.2 The race committee is not required to signal the change when the next leg of the course is changed by less than 10 degrees in angle or less than 100 metres in length. This changes RRS 33.

14 THE FINISH

14.1 Course Racing:

- a) Unless shortened in accordance with RRS 32.2, the finishing line is between the staff displaying a blue flag on the signal vessel and the course side of mark 2.
- b) When the leading boat completes the course and finishes, the signal vessel will immediately display the finish flag with a sound signal. The finish flag will be removed at the end of the finishing window time limit.

All boats that,

- (i) have completed a lap before the finish flag is displayed, but then fail to finish while it is displayed, or
- (ii) cross the finishing line while the finish flag is displayed

shall be deemed to have finished irrespective of the number of laps completed. Their positions in the race will be based on the order when they either completed their last lap or finished, with those having completed more laps finishing ahead of those with fewer laps. This changes RRS 28.1 and A4.

- c) [DP] When the finish flag is displayed, all boats on a downwind leg shall sail through the finishing line.
- d) [DP] A boat that crosses the finishing line when the finish flag is displayed shall not attempt a further lap.

14.2 NASCAR Racing:

- a) The finishing line is between the staff displaying a blue flag on the signal vessel and the course

side of the pin end mark.

- b) After approximately 10 minutes of racing, the signal vessel will display the finish flag with a sound signal (regardless of the location of the lead boat on the course).

All boats that,

- (i) have completed a lap before the finish flag is displayed, but then fail to finish while it is displayed, or
(ii) cross the finishing line while the finish flag is displayed

shall be deemed to have finished irrespective of the number of laps completed. Their positions in the race will be based on the order when they either completed their last lap or finished, with those having completed more laps finishing ahead of those with fewer laps. This changes RRS 28.1 and A4.

14.3 Distance Racing:

- a) The finishing line is between the staff displaying a blue flag on the signal vessel and the course side of the pin end mark.
- b) Boats that sail the short course option shall declare the course they sailed to the race office as soon as possible after crossing the finishing line or after they are finished as described in SI 14.4. Boats that declare they sailed the short course option will be scored behind the boats that sailed the long course. This changes RRS 28.1 and A4.

- 14.4 For all race formats, if a boat is told they have finished by an official vessel, it shall return to the vicinity of the signal vessel or go ashore. That boat will be scored in its last known position. This changes RRS 28.1, A5.1 and A5.2.

17 HEARING REQUESTS

- 17.1 The protest time limit is 60 minutes after the last boat finishes the last race of the day or the race committee signals no more racing today, whichever is later. The time will be posted on the ONB.
- 17.2 On the last day of racing, competitors intending to protest shall inform the race committee before going ashore.
- 17.3 Hearing request forms are available from the club.
- 17.4 Notices will be posted no later than 30 minutes after the protest time limit to inform competitors of hearings in which they are parties or named as witnesses.
- 17.5 RRS 61.2(b)(2) and 63.7(b)(2) are changed so that 30 minutes is replaced by 15 minutes.

26 RISK STATEMENT

- 26.1 Rule 3 of the Racing Rules of Sailing states: 'The responsibility for a boat's decision to participate in a race or to continue racing is hers alone.'
- 30.2 Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:
- (a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
 - (b) They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
 - (c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
 - (d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
 - (e) The provision of a race management team, patrol boats and other officials and volunteers by the event organizer does not relieve them of their own responsibilities;
 - (f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances;
 - (g) It is their responsibility to familiarise themselves with any risks specific to this venue or this event drawn to their attention in any rules and information produced for the venue or event and to attend any safety briefing held for the event.
